Candace Owens says Macron's wife is a MAN: "I would stake my entire professional reputation"

The internet is abuzz with claims that French President Emmanuel Macron's wife Brigitte is a biological male posing as a "woman." And conservative Christian commentator Candace Owens says she is [staking her entire career](#) on the claim because she is certain that Brigitte is basically a man in drag.

Much like what happened with Michelle Obama, whom many believe is a man named "Michael" who now pretends to be a woman, Brigitte Macron, 70, does not appear to have truly feminine bodily traits.

Rumors about Brigitte's true hidden identity so riled up Emmanuel, 46, that he publicly denounced them for the first time, angrily stating that claims about Brigitte being a transgender are "false and fabricated."

"The worst thing is the false information and fabricated scenarios," Emmanuel proclaimed at an International Women's Day event in Paris, after which he proceeded to guarantee that the "right" to an abortion is enshrined in France's constitution.

"People eventually believe them and disturb you, even in your intimacy," Emmanuel conti

Emmanuel's daughter Tiphaine Auzaine, who is just six years younger than her father, said much the same in a recent interview.

"I have concerns about the level of society when I hear what is circulating on social networks about my mother being a man," Auzaine said.

What Emmanuel and his daughter effectively did by giving these public statements is rile up the public even more. People who had never even heard about the Brigitte transgender conspiracy suddenly started digging, leading many of them to the same conclusion that "she" is not a real woman.

Owens is among the most outspoken, having stated that any reporter who brushes off the claims without any independent investigation or thought is playing into the hands of the "establishment," the suggestion being that the whole thing is a big coverup.

"I have never seen anything like this in my life," Owens wrote on X, adding that any journalist or publication trying to dismiss Brigitte being a biological male "is immediately identifiable as establishment."

"The implications here are terrifying ... I do not intend to let up on this story and I am calling on other journalists to look into this explosive story and report accordingly."

Regardless of where you stand on this issue, you have to admit that it is quite strange for a 46-year-old Emmanuel to be married to a 70-year-old Brigitte, whom he crossed paths with when he was just 15 years old as his teacher at the Catholic Providence school in Amiens.

"With such a strange beginning, it's not surprising that folks are diving deep into wild theories about the nature of their relationship," commenter *Revolver* about the matter.

"And ... Macron's attempts to debunk the rumors haven't exactly helped. Now, even those who previously paid no mind to the gossip are pausing, scratching their heads, and thinking, 'What if ...'"

It is widely believed that many Western "elites" are deviant perverts in secret, some of them being the opposite gender of what they claim. Find out more at [Transhumanism.news](https://transhumanism.news).

Why is the alt media becoming so reactionary about life choices? My own mother, an attractive woman, married a man 30 years younger in her later life. Moreover, while I dislike Macron's politics, I find no fault with his wife's appearance. Disappointed in Candace Owens.

The problem is not perverts in government office. It is the existence of the office itself that must be rethought.

Looks like Candace is trying to distract us from the real issue. That being that Brigitte is a pedo. Let's focus on that. The thing that has never been hidden and is incredibly disgusting. Let's focus on how easy Emanuel is to control and manipulate, why it's
